WHAT'S BEING PLANNED

The California Department of Transportation (Caltrans), in cooperation with the Federal Highway Administration and the Siskiyou County Local Transportation Commission, proposes to construct an access-controlled section of highway on new alignment on State Route 97 (Main Street) east of Dorris in Siskiyou County.

WHY THIS NOTICE

Caltrans is in the process of circulating the draft environmental document and evaluating alternatives for the project. A public open house is being offered to give you an opportunity to review and comment on design features, alternatives, and potential environmental issues relative to the proposed project. The informal open-house format will include a display of project information and Caltrans staff on hand to answer your questions about the project. No presentation will be made.

COMMENTS

The draft environmental document is available for review in Dorris at the City Hall offices and at the Public Library, and at the Siskiyou County Library in Yreka. If you are unable to attend the public open house, please submit your comments or questions in writing no later than July 12, 2002, to: Caltrans District 2, Attention: Wayne Wiant, Chief, Environmental Management, P.O. Box 496073, Redding, CA 96049-6073.

For individuals with disabilities, we will provide assistive services such as assistive listening devices, sign-language interpreting, real-time captioning, note-takers, reading or writing assistance, or training/meeting materials in Braille, large print, on audiocassette, or on computer disk. To obtain such services or copies in one of these alternate formats, please call or write, a minimum of 20 working days prior to the event, to request these needed reasonable modifications: **Department of Transportation Attn: Equal Employment Opportunity Officer 1657 Riverside Drive Redding, CA 96001 (530) 225-3425 Voice (530) 225-2019 TTY**
